All Parents must sign a consent form stating whether you allow or not allow your child(ren) to be photographed during events we have through the year. It could be used but not limited to: promoting concerts, special masses, and special events on social media, group photos, special events, or any activities pertaining to Saint Michael's Youth Choir. This form can be obtained at the Director of Music or Director of Family Life Offices.

*Any Parent may stay at the rehearsal and watch. Safe Environment is for those who would like to assist the Director of Music with certain tasks

*Our rehearsal is one hour in length. Please be prompt for rehearsal and picking up your child.

*Like any activity no matter what you do requires discipline, practice, dedication, on the one participating. That principle is no different in choral training. Behavioral Discipline is not the job of the Director of Music. If your child disturbs the rehearsal for behavioral problems, the parent may be asked to sit with their child during rehearsal or take a leave of absence until both Parent and Director agree that the child(ren) are able to partake in this ministry.
